

Questions:

As the 2026 municipal election nears, the Niagara-on-the-Lake Residents Association is considering how best to foster civic engagement in the election process and encourage eligible voters to cast their ballots.

With that in mind, we are reaching out to Niagara on the Lake's Lord Mayor, Councillors and elected member of Niagara Regional Council with the following questions:

1. Do you plan to seek re-election in 2026?
2. If not, are you considering running for election to a different elected position/office than the one you currently hold?
3. If you do plan to seek re-election or another elected position/office in Niagara on the Lake or the Niagara Region in 2026, would you consider sharing your platform at a meeting of the Niagara-on-the-Lake Residents Association's members and board prior to or during the election campaign?

We would appreciate receiving your responses by February 17, 2026.

Thank you for your consideration

Niagara-on-the-Lake Residents Association
