

## TERI ANDRUSIW

I am A Realtor with Revel Realty and also have worked at Niagara Catholic School board for 35 years as both an educational assistant and a child youth worker. I have experience and a natural ability to connect people to community services for mental health and have also lead different groups and volunteered to help people to feel connected to their community. I am empathetic and strong in problem solving skills and have ablilty to identify needs in both Real estate and community. I have lived in Niagara on the lake for over 20 years and am excited for an opportunity to help the town grow. I am a hard worker and motivated person with excellent communication skills and love meeting and connecting with people.
