A proud Niagara-on-the-Lake resident since 2017, Roman Mamalyga is passionate about preserving the history, beauty, heritage, and traditions that make our community such a special place to live. He believes in the importance of maintaining the town's unique character while ensuring it remains a vibrant and sustainable community for future generations.

Roman brings a diverse range of professional experience, business knowledge, and community involvement. As a Mortgage Professional, he specializes in reverse mortgages and private financing solutions, helping clients navigate important financial decisions. He also works as an energy broker and consultant, assisting businesses in identifying opportunities to maximize utility efficiency and manage energy costs.

Beyond his professional career, Roman has worked with numerous charitable organizations and has supported student athletes through mental conditioning, helping them develop the focus, confidence, and discipline needed to achieve their goals.

Roman believes that meaningful community leadership requires experience, enthusiasm, an open mind, and, above all, a genuine willingness to listen and work collaboratively for the benefit of residents.

He is grateful for the opportunity to contribute his knowledge, experience, and energy in service to the Niagara-on-the-Lake community.
